A precinct caucus is a meeting for those interested in participating in and influencing the election of candidates. Political activity for **the next two years** begins with the precinct caucuses.

All precinct caucuses follow a uniform established format. A precinct is the geographical area in which you live and vote that may be your township, your city or a portion of your city. Find where your local Republican caucus is being held by searching "precinct caucuses" at **www.sos.mn.gov**. Be a part of the republic process.

Your local BPOU (Basic Party Organizational Unit) organizes your precinct caucus. Find your CD7 group at **www.mncd7republicans.com**.
